We will help you "Finish Faster" by:

- Providing an experienced Pump Consultant to assist you in selecting the best pump for your job
- Providing a clean pump in excellent mechanical condition certified "Ready to Rent" by a qualified service agent
- Getting your job started faster with "speedy delivery" and set-up assistance
- Staying on the job until you are satisfied that our pump is working properly
- Providing unrivaled pumping power. Our pump consultants are authorized to put our rental pumps alongside any other company's rental pump of the same size, type, and horsepower, anytime, anywhere. Our pumps will pump more trash or dirty water, more hours, with fewer priming problems. If after a 3-day trial you don't agree our pump is the best, return the pump and we will give you 100% rental credit
- Servicing the equipment every 2 weeks to make sure the pumps are operating efficiently
- If a breakdown occurs, we promise to be at your job site within 2 hours on normal work days or 4 hours on holidays and weekends or you don't pay for the day
