

“At 50 feet away from the homes, I haven’t had any complaints.”

- Ray Newsom, Superintendent
JB Coxwell Contracting Inc.

EQUIPMENT: PT6TP-SS 6” SUPERSILENT SUCTION LIFT PUMP

APPLICATION

Minimize neighborhood complaints and meet municipal requirements with a Super Silent pump. Featuring indefinite dry run capabilities, automatic self-priming, optional self start, and DOT trailers, the Super Silent Pumps maintain noise levels as low as 62 decibels. Super Silent suction lift sewer bypass models are available at Holland Pump in four inch, six inch, and eight inch sizes to accommodate a wide range of applications.

JOB DESCRIPTION

JB Coxwell Contracting, Inc. carried out the Septic Tank Phase Out project in Lake Forest, Jacksonville. While converting the entire neighborhood from septic tanks to city water, Supervisor Ray Newsom faced the challenge of dealing with nearby homeowners. Newsome opted to install the 6” Super Silent Rotary Wellpoint Pump to achieve optimum performance while keeping the noise level to a minimum.
